Toshiba

To check which handsets from each manufacturer are compatible, please contact our sales team by email: [sales@ipn-headsets.com](mailto:sales@ipn-headsets.com)

### Step 1: Connect Cable A

1. Insert the blue plug on Cable A into the 'AUX' port on the back of the W860/W880 base unit.

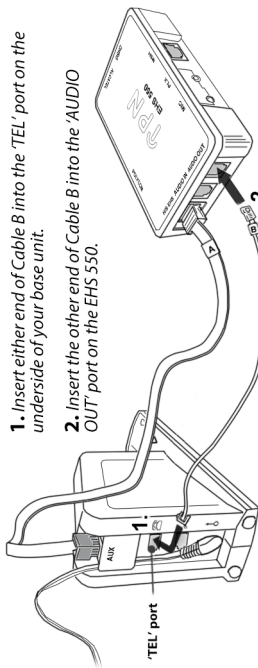

2. Insert the clear plug on Cable A into the 'H/S EHS' port on the EHS 550.

### Step 2: Connect Cable B

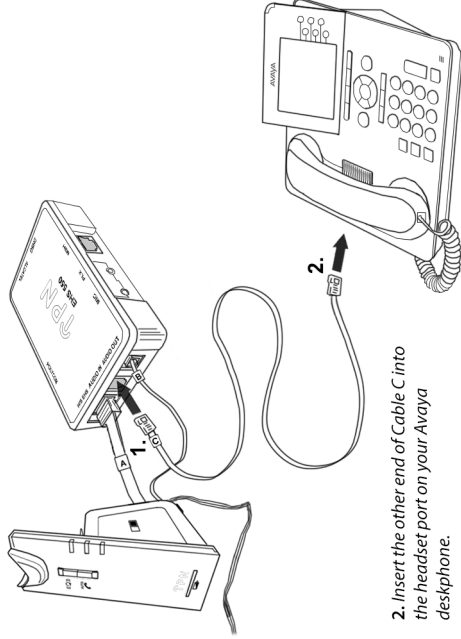

Cable B is supplied with your IPN W860 or W880.

1. Insert either end of Cable B into the 'TEL' port on the underside of your base unit.
2. Insert the other end of Cable B into the AUDIO OUT port on the EHS 550.

### Step 3: Connect Cable C

1. Insert one end of Cable C into the 'AUDIO IN' port on the EHS 550.

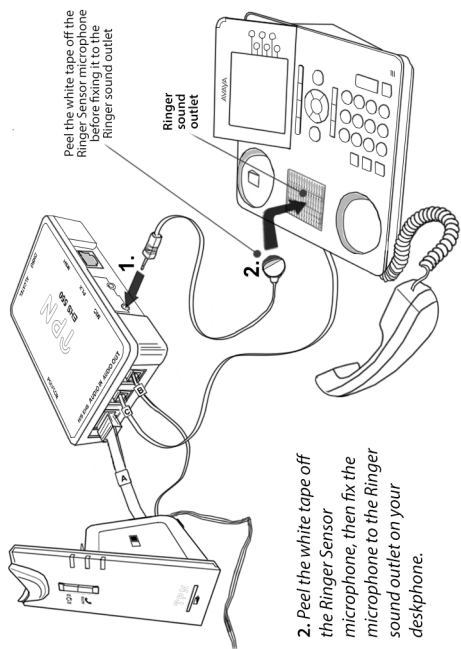

2. Insert the other end of Cable C into the headset port on your Avaya deskphone.

Please check your deskphone's manual for location of the headset port.

### Step 4: Connect the Ringer Sensor

1. Insert the audio jack on the Ringer Sensor into the 'MIC' port on the EHS 550.

2. Peel the white tape off the Ringer Sensor microphone, then fix the Ringer Sensor sound outlet on your deskphone.

Your EHS 550 will now be ready for use with your IPN W860 or W880 and Avaya deskphone. If you encounter any problems setting up or operating your products, please call IPN Headsets on 0031 (0)24 34 34 747.
