

IPN Headsets is the leading headset brand. IPN Headsets is all about universal solutions for intensive wireless and wired telephone comfort.

Under the name IPN Headsets, we market high-quality headsets which we develop and manufacture ourselves, applying the very latest noise cancelling technology. The products are extremely well suited to intensive use in office environments.

The IPN U1 and IPN U2 headsets are superbly suited to both the office and call centre environments.

The combination of supreme comfort and lightweight, make the IPN U1 and the IPN U2 comfortable to wear all day.

The standard featured noise cancelling microphone will ensure that your clients hear your advisors properly and not the background chatter.

The IPN U1 and IPN U2 headsets are equipped with a unique compatibility configuration system which makes your headset compatible with nearly all telephone handsets and headset accessories.
